PO BOX 1064
ACTON, MA 01720 or jpederson@masswaterworks.org

DEADLINE: JUNE 15th (applications and supporting material must be postmarked by this date to be considered)

This scholarship was established in 2021 in memory of MWWA Past President Patrick S. O'Neale, PE. Each year, up to \$2,000 in awards will be granted to undergraduate students pursuing a degree in Civil or Environmental Engineering at a four-year accredited college or university, with preference given to those whose studies are related to water works practice.

The Scholarship Committee will select recipients based on the following eligibility and evaluation criteria:

Eligibility:

- *Applicants must have completed at least one year (two semesters) of study toward a Bachelor of Science degree in Civil or Environmental Engineering at an accredited U.S. institution.*

Evaluation Criteria:

- *Special consideration will be given to students with a focus on water works practice over those in general Civil or Environmental Engineering.*
- *GPA*
- *Volunteerism and involvement in school or community activities*
- *Quality of the essay submission*

Note: Prior recipients of the scholarship are ineligible to apply again.

The MWWA Board of Directors may amend the scholarship guidelines at any time by majority vote during a duly called meeting. MWWA also reserves the right to withhold awarding a scholarship in any year where no outstanding candidates are identified.
