

## MWWA EDUCATION SEMINAR

### 3-HOUR RECERTIFICATION - ASBESTOS-CEMENT PIPE (ACP) WORKER SAFETY

Course ID # MWWA 16-005, MA Wastewater Approval: BC-2016-3047

Approved for Rhode Island Water Operator TCHs

#### **\*IMPORTANT INFORMATION REGARDING THIS COURSE:**

This recertification course is **ONLY** available to those who have previously taken the 8-hour certification course in the last 5 years and hold a valid "Asbestos-Cement Pipe Worker Safety" certificate.

This course reintroduces the topics covered within the initial 8-hour certification; certification must be renewed every 5 years. This class will provide an understanding of:

- Types and uses of asbestos and identification of the material
- The nature of asbestos-related diseases and routes of exposure
- Review of applicable federal and state regulations regarding asbestos.
- Review of the updates made to MassDEP's AC Pipe Guidance Document
- Proper AC Pipe Work Practices including final visual inspection and waste disposal procedures and related reporting forms

Attendees must successfully pass a multiple choice exam to receive certification. This course is approved for **3.0 TCHs** (Training Contact Hours) for Massachusetts water and wastewater operators and RI drinking water operators. **Note: Please see important "Covid Protocols" and Release Statement" on the next page.**
