

## Program Manager Water & Sewer

Thorough and resourceful individual sought to join the Water & Sewer Team within the Department of Public Works as the Program Manager - Water & Sewer! This brand-new role provides analysis, support and direct management for a wide-range of projects, both construction and administrative, as well as support for operations. The Water & Sewer Division is a municipally owned utility serving the residents and businesses of Shrewsbury. Our water supply is derived from a series of eight gravel packed wells pumping over 3.5 million gallons of water a day. The Division supplies water to over 11,600 service connections through over 207 miles of water main to approximately 38,000 people. It also operated and maintains 38 sewer pump stations and provides service through 165 miles of sewer mains.

The work hours are conveniently Monday through Friday from 7:00 AM to 3:30 PM with a daily thirty-minute lunch break, and overtime as needed. The Town of Shrewsbury offers a competitive benefit package, including health insurance, a pension, an extensive employee assistance program, the opportunity for professional development, and competitive paid time off in the form of sick, personal and vacation days. Salary range is \$30.57 – \$41.27 per hour (D.O.Q.).

For more information about this opportunity, including job functions and education/experience requirements please visit [www.shrewsburyma.gov/jobsreview](http://www.shrewsburyma.gov/jobsreview). When applying for this position a cover letter and resume may be sent via email to Christine Mattero, Human Resources Coordinator, at [cmattero@shrewsburyma.gov](mailto:cmattero@shrewsburyma.gov) indicating the position you are applying for in the subject line. The position is open until filled with initial review of applicants January 20, 2023.
