<b>Salary Range:</b> \$33.62 - \$45.39 per hour (D.O.Q)	<b>Department:</b> Public Works - Water & Sewer Division

### Summary

The Town of Shrewsbury seeks an energetic person to join the Water & Sewer Division within the Department of Public Works as the Assistant Superintendent of Treatment and Pumping Systems! The successful candidate will be the primary operator for the Town's state-of-the-art water treatment plant that went online in the fall of 2018. The new Home Farm Water Treatment Plant has been meticulously maintained since construction was completed and has allowed the Town to consistently remove manganese biologically to near non-detect levels. The successful candidate will be a valuable member of a team of industry professionals responsible for the maintenance and operations of the Town's water system. This position has become available due to the current incumbent of 37 years planning for retirement.

Duties include, but are not limited to overseeing and participating in the operation and maintenance of the Home Farm Treatment Plant, booster stations and storage tanks, directing and conducting continuous study of complex plant operating procedures and processes, overseeing complex laboratory testing procedures in order to maintain drinking water quality standards within EPA and MassDEP requirements, and completing and submitting required reports for various agencies including MassDEP and Mass DPH. The role requires a Treatment Grade 3 License in full at the time of hire, a Distribution Grade 3 License or ability to obtain within 1 year of hire, a CDL B and and Hoisting License 2A or the ability to obtain within 1 year of hire. For full details, please review the job description below.

### Work Hours & Benefits

The Assistant Superintendent works from the Shrewsbury Water Treatment Plant and around Town in the field. The work hours are conveniently Monday through Friday from 7 AM to 3:30 PM with a daily thirty-minute lunch break, and overtime as needed. The Town of Shrewsbury offers a competitive benefit package, including health insurance, a pension, an extensive employee assistance program, the opportunity for professional development, and competitive paid time off in the form of sick, personal and vacation days.
