### *Wastewater Operator / Service Technician*

PPM Industrial Water Services ( [www.ppmprocess.com](http://www.ppmprocess.com) ) is a growing company serving the life science industry primarily in the Boston/Cambridge metro area. We design, build, and service wastewater treatment and process equipment for laboratories, hospitals and research universities.

We offer competitive salary and benefits, based on experience and skill level.

We are seeking a field technician with a positive attitude, friendly demeanor, and strong technical skills. The daily duties would be to travel to customer facilities and do the following;

- Inspections of lab wastewater equipment including wastewater pH neutralization systems and wastewater lift stations.
- Document system performance data per local regulatory requirements
- Perform preventative maintenance (PM) services to ensure equipment is operating properly
- Train customers on system operating parameters and alarms
- Identify and Perform equipment repairs as needed
- Install new systems

#### Requirements:

- Grade 1-I MA wastewater license or higher
- Reliable vehicle with a clean driving record
- Ability to pass a drug test & background check
- Mechanical aptitude and ability to use hand tools and drills.
- Good computer & smartphone skills

#### Benefits:

- Competitive Salary
- Paid Time Off
- Company Health Insurance
- 401k Plan with Profit Sharing
- Mileage Reimbursement
