| | |
|--|---|
| Posting Number: AA#23-01 | Date Posted: January 6, 2023 |
| Weekly Hours: 40 hours/week * | FLSA: Non-Exempt |
| Hiring Rate: \$32.54/hour | Bargaining Unit: Engineering, AFL- CIO, Local 272 |
| Step Rate: \$32.54 - \$36.61/hour | Location: 860 Boston Post Road East Marlborough, MA 01752 |

* plus rotating weekends (every fourth/fifth) once qualified, Monday through Friday with lunch taken on the job.

DEFINITION/PURPOSE

Operation of a municipal 3.5 million gallons a day (MGD) advanced wastewater treatment facility in a safe, cost effective, and efficient manner complying with all State and Federal regulations.

ESSENTIAL FUNCTIONS

(The essential functions or duties listed below are intended only as illustrations of the various type of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Operating, maintaining, and repairing wastewater treatment plant machinery and equipment.
- Making routine laboratory tests and maintaining operations log.
- Adding chemicals as directed and required.
- Recording instrument readings and adjusting equipment.
- Checking machinery and equipment for malfunctions and conducting preventative maintenance.
- Repairing and overhauling machinery and equipment.
- Maintaining plant facilities and grounds in a clean and orderly condition.
- Completing tasks and other duties as assigned.

SUPERVISION RECEIVED

Under the supervision of the Head Treatment Plant Operator.

JUDGEMENT

The work involves numerous standardized practices, procedures, or general instructions that govern the work and, in some cases, may require additional interpretation. Judgment is needed to locate, select and apply the most pertinent practice, procedure, regulation or guideline.

COMPLEXITY

The work consists of a variety of duties which generally follow standardized practices, procedures, regulations or guidelines. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

NATURE AND PURPOSE OF CONTACTS

Relationships are primarily with co-workers, vendors and the public, involving frequent explanation, discussion or interpretation of practices, procedures, regulations or guidelines in order to render service, plan or coordinate work efforts, or resolve operating problems. Other regular contacts are with service recipients and employees of outside organizations. More than ordinary courtesy, tact and diplomacy may be required to resolve complaints or deal with hostile, uncooperative or uninformed persons.

WORK ENVIRONMENT

Work is continually performed outdoors regardless of weather conditions. The nature of the duties may involve continuous presence of unpleasant or irritating element such exposure to equipment/machinery, noise, odors,

chemical fumes, dust, smoke, heat, cold, oil, dirt or grease, and risk of personal injury. May be required to work weekends and holidays and in emergency situations once deemed qualified to do so.

DEPARTMENT OF PUBLIC WORKS WASTEWATER TREATMENT PLANT OPERATOR

(continued)

EDUCATION AND EXPERIENCE
