External Posting (11/13/2024)
Water Department
Assistant Superintendent Water
Salary Range: \$78,053.61 - \$104,897.53

The City of Attleboro Water Treatment Plant seeks an Assistant Superintendent of Water, who, under the direction of the Superintendent of Water, assists the Superintendent in the operation and maintenance of the water treatment facility and distribution system.

Duties include supervises, controls and participates in the operation of plant treatment processing units. Develops standard operating procedures and trains staff. Assists in budget preparation. Prepares and submits operational logs and reports of equipment malfunctions with observations and recommendations. Maintains plant equipment, structures and grounds in clean and orderly condition. Confers with other city departments and state and federal agencies and the general public relative to departmental issues. Reviews daily calibration, routine maintenance and repair of laboratory instrumentation. Orders chemicals for use in laboratory and treatment operations and reviews chemical bid specifications annually. Acts as a liaison with software vendor for facility's computer needs. Determines action to be taken in the event of emergencies such as machine, equipment or power failure. Inspects process equipment, flood control stations, water storage tanks, pumping station, laboratory and other related equipment. Responds to afterhours emergencies. Performs the duties of the Superintendent, in the absence of the Superintendent. Annual Tier II reporting. Reviews monthly and annual reporting to MassDEP and other regulatory agencies. Reviews and files FCC licenses. Maintenance of the Emergency Response Plan. Maintenance of the Chemical Control Strategy. Performs related duties as assigned.

High School graduation with some college level work in chemistry, biology, mechanical engineering or related field and five years progressively more responsible experience in the operation and maintenance of a medium to large water treatment facility and experienced in the operation of SCADA system; or any equivalent combination of training and experience. Occasionally may lift objects weighing up to sixty pounds.

If interested, please submit a resume and cover letter to the City of Attleboro, Human Resources Office, 77 Park St., Attleboro, MA 02703 or attleborojobs@cityofattleboro.us no later than November 27, 2024.
