

## Town of Athol DPW Water Division Job Opportunities

Winners want the ball in their hand when the game is on the line, come join our winning team.

The Athol DPW water division has two positions to fill, Water Distribution Forman and Secondary Water Operator due to impending retirements. You can be that person to plug that leak in our roster. We are looking for professionals to fill those holes in the DPW Water Division.

Just like replacing old pipes, we are now in need of replacing retired operators. If being part of a winning team/atmosphere and a great working environment is what you are looking for, then go for it.

Applications can be found on-line at the [townofathol.org](http://townofathol.org) website, and you may also obtain an application from the DPW office Rm 24, 584 Mian Street Athol, MA 01331.

Athol DPW is also willing to train the right committed applicants.

Job Descriptions available upon request.
