

# **Lunenburg Water District**

## **Job Posting**

### **Water Distribution / Treatment Operator**

The Lunenburg Water District is accepting resumes for full time employment. This is a 40 hr. per week position, with on call hours as needed on nights and weekends. The position requires a wide variety of skilled tasks in the distribution, treatment, and maintenance of water operations. Applicant must be able to perform heavy lifting and strenuous duties. The applicant must pass a physical with no restrictions on all physical work. Experience and knowledge of the water and/or construction field is preferred but not required. Applicant must be self-motivated with the desire to expand their knowledge of operating a water system and obtain all of the required Massachusetts Licenses. The Water District will offer all classes and training needed to prepare for license exams. Residency is not required but you must be able to respond to on call emergencies within 20 minutes. This can be a long-term employment opportunity with excellent benefits for anyone looking to build a career in operating a water system.

#### **Licenses required as job advances**

Distribution 2 and Treatment 1 Operator Licenses  
Hydraulics License 2A or 2B  
Massachusetts Class A or B Driver's License  
Backflow Certification

#### **Compensation**

Rate of pay will be adjusted according to experience
