

## **Operations Service Technician Chelmsford Water District**

The Chelmsford Water District (District) is looking to fill the two positions of Operations Service Technician. The Operations Service Technician is a permanent full-time position and will work Monday through Friday and weekends on a rotating basis. This is a 40 hour per week position, with scheduled overtime and emergency call in. The wages will be commensurate with experience. The Operations Service Technician will be responsible for installing, repairing, maintaining, operating, or otherwise ensure the safe and efficient production and distribution of drinking water and fire protection. Position will also assist with meter reading operations as needed and once licensed, backflow testing.

The desirable candidate must have the following characteristics:

- 1) High School diploma or equivalent.
- 2) Experience in drinking water industry construction and operation.
- 3) Licensing:
  - a. A valid driver's license with CDL endorsement with air brakes (Class B).
- 4) Retain the following licenses, or ability to obtain within a period specified by the District:
  - a. Distribution License D1, D2 and/or D3 license.
  - b. Valid hoisting license for operating an excavator (2A) or backhoe (2B) and similar license for forklift (1C).
  - c. Backflow testing and survey license.
  - d. OSHA-10 hour in Construction Safety and Health and Hot works certificate.
- 5) The following are a plus:
  - a. The desired person would have experience with diesel engines and hydraulic equipment or auto mechanic willing to learn diesel engines and hydraulics.
  - b. Preferred 30-minute or less drive of the District water department office.
  - c. Minimum of a two (2) year trade/vocational school as a mechanic, environmental science, engineering, electrician, plumbing, or equivalent certificate.
- 6) Proficiency with the following software:
  - a. Basic office software (e.g., Microsoft Office or similar).
- 7) Retains the oral and written communication skills necessary to complete receiving reports, work orders, and/or prepare reports.
- 8) Be proficient in speaking and writing the English language.
- 9) Physically able to perform construction tasks in the field.

### Excellent benefits:

1. Thirteen holidays.
2. Paid vacation time, personal day, sick leave, and bereavement.
3. Middlesex County retirement pension based on years of service, once vested.
4. Life, health, and dental plan coverage and boot/clothing allowance.

Additional documents related to the job are available upon request. Starting pay is \$22/hr. and ranges up to \$30/hr. based on licensure and experience. If you are interested in applying for this position, please email your cover letter, resume and Water Department Application from <https://www.chelmsfordwater.com/administrative/pages/application-employment-0> to [areid@chelmsfordwater.com](mailto:areid@chelmsfordwater.com) or call 978.256.2931 for further information. You may also mail your application to: Andrew L. Reid, 20 Watershed Lane, Chelmsford, MA 01824. Please note a background check and associated work will be performed as well as pre-employment physical and drug test. **Applications close on February 22, 2022 at 4:00 p.m.**
