

Drinking Water Treatment Plant Operator

The Randolph/Holbrook Joint Water Board is currently seeking applicants for the position of Drinking Water Treatment Plant Operator.

Grade 2T or higher license is desired, lesser licenses and/or trainees may be considered. Candidates must have a working knowledge of pumps, motors, filters, and other related treatment plant equipment. Must also have the ability to diagnose and correct any malfunctions that may occur during the operation of the plant.

Compensation will be based on the level of license held, per the current union contract. Currently starting at \$31.29 per hour (grade 4T), \$31.03 per hour (grade 3T), and \$28.17 per hour (grade 2T).

Resumes should be emailed to [Paul Hennessy at phennessy@holbrookmassachusetts.us](mailto:phennessy@holbrookmassachusetts.us).
