

TOWN OF WESTFORD WATER DEPARTMENT

LICENSED WELL SPECIALIST

The Town of Westford Water Department is seeking a Licensed Well Specialist to assist with maintenance and routine assignments as necessary for drinking water treatment and distribution system operations. Responsibilities will include, but are not limited to, operating, maintaining, and repairing heavy equipment/department vehicles; performing scheduled and special readings of residential, commercial, and/or industrial water meters; working with Business Manager and Office Staff to obtain second readings to ensure accuracy of billing; recording and maintaining information such as locations of service lines, gates, hydrants, water mains, meters, back-flow prevention devices, and valves; inspecting the installation of water mains performed by private contractors. Minimum of 2 years experience in drinking water supply industry required and must possess a current Massachusetts Board of Certification of Operators of Drinking Water Supply Facilities Grade T1 and D1 License. Basic knowledge of water hydraulics, electrical systems, plumbing, construction, and pump station and distribution system information is beneficial. Must possess verbal and written communication skills and basic office skills. Must adhere to safety practices pertaining to the water and construction industries. Primarily a field position and must be able to respond to emergencies regardless of weather conditions. Must have a High School Diploma and valid driver's license. Massachusetts Class 2 Hoisting, Class B Commercial Drivers License, and cross connection tester and surveyor licenses preferred. Full-Time, Union Position. Hourly Range: \$26.28 – \$34.33.

The Town of Westford is an EEO/AA Employer.
