

Town of Edgartown | Wastewater Commission
Facility Manager | \$48.72–\$64.11

The Town of Edgartown seeks a dedicated and experienced professional to serve as the Facility Manager for the Wastewater Commission. This pivotal role oversees sewer plant operations, ensuring compliance with DEP Discharge Permits, and the effective management of the Wastewater Treatment Facility and Collection System. The position includes supervisory responsibilities, strategic planning, and collaboration with the Town's Wastewater Commission to meet operational goals and service standards.

This role involves supervising daily facility operations, handling capital improvement planning, developing budgets, purchasing, conducting preventive maintenance, and coordinating the removal and transport of sludge and other byproducts. Additional duties include grant administration, contractor oversight, regulatory compliance, and public engagement through Commission meetings and permit guidance. A valid Grade 7 Massachusetts Wastewater Treatment Full Operator's License and four years of related experience are required. A Bachelor's degree in Environmental Science, Engineering, or Business Management is preferred.

Please send completed applications to HR@edgartown-ma.us or P.O. Box 5130 ATTN: Human Resources, Edgartown, MA 02539. Applications and full job descriptions are available at edgartown-ma.us or in the Human Resource Office. The Town of Edgartown is an equal opportunity employer. Applications will be received until 4:00 PM on April 18, 2025.
