

Assistant General Manager

We are seeking an Assistant General Manager to support the General Manager in the day-to-day operation of the Whitinsville Water Company (WWC), a private utility which provides drinking water to a population of approximately 14,000 in portions of Northbridge and Sutton, Massachusetts. The company also provides contract operations for nearby water systems as well as water infrastructure repair services.

The ideal candidate is someone with a Grade 2 (or higher) Treatment license and fifteen or more years of experience in water utility management, operation and maintenance. This position requires an individual who possesses a thorough knowledge of the methods, practices, and materials used in the operation and maintenance of water systems. Additionally, the ideal candidate shall have had at least five years' experience in a leadership position with fiscal management responsibility, as well as experience in leading a staff while establishing procedures, administering policies, setting goals, and long-term planning. WWC is dedicated to the safety of our customers, our clients, the public and our personnel. This position requires an individual equally passionate.

To be considered for this dynamic opportunity please submit your application to: attention Terence McGlone at tmcglone@whitinsvillewater.com or mail to Whitinsville Water Company, 44 Lake Street, Whitinsville, MA 01588 by April 28th, 2023. We will review and respond to all applications and if we accept your application, we will be in touch to schedule an interview. We look forward to hearing from you.

As an employee of Whitinsville Water Co., you will enjoy the following benefits:

- A comprehensive benefits package including health, dental, life and disability insurance.
- 401k plan with employer match.
- Paid vacation and holidays.
- Paid sick and personal days.
- Incentive program.
- Continuing Education opportunity.

Whitinsville Water Company is an Equal Opportunity Employer.
