

# TOWN OF NORTH ANDOVER

## JOB POSTING

### DRINKING WATER TREATMENT PLANT OPERATOR

A vacancy exists in the North Andover Water Treatment Plant for one Drinking Water Treatment Plant Operator on a full time permanent basis.

#### Summary of Duties

Operates, maintains and repairs water and on occasion wastewater or treatment machinery and equipment. Collects samples and makes routine laboratory tests at stages of treatment in accordance with standardized procedures, and adjusts treatment chemicals as required. Takes and records readings of instruments, makes adjustments in equipment as indicated, and maintains operation logs. Checks machinery and equipment for malfunctions, conducts regular preventative maintenance, and repairs, and overhauls machinery and equipment. Other responsibilities include maintaining the treatment plant and grounds in a clean, orderly condition. May supervise personnel at a lower grade. Performs other related duties as required.

#### Qualifications

Certification of a Grade 3/TC for a MA Drinking Water Treatment Plant Facility is required. A MA Grade 4T/C is preferred. Class D Driver's license is required.

<b>Salary:</b> Position Level W-8	Grade 3 T/C	\$33.02 - \$38.13
	Grade 4 T/C	\$34.67 - \$40.01

This position is subject to the terms and conditions of the Town of North Andover's Division of Public Works Union Contract. Candidates should possess the necessary qualifications.
