

**WAREHAM FIRE DISTRICT
WATER DEPARTMENT**

Water Technician Position

Position will be involved in day-to-day activities in the treatment, distribution, and storage of water operations. Must have mechanical aptitude and dexterity to assist in the repair, installation, reading and maintenance of water meters, services, hydrants, water mains and other appurtenances. Performs equipment monitoring, recording of data and manual data entry. Attention to detail and adherence to standard operating procedures is required. Must have the physical stamina and dexterity to work in various locations under adverse weather conditions; including trenches, pits, vaults, crawlspaces, tanks, and other areas difficult to access. Sometime after a minimum 6 month probationary period the technician shall be required to be part of a rotating scheduled On-call staff for overnight response. Must live within a 30-minute response time.

A minimum of a Grade 1 Treatment or Grade 1 Distribution Operator License is mandatory for consideration. Grade 2 Treatment Preferred. Workweek is Monday through Friday 40 hours/week with a pay rate commensurate with skills and experience.

**Applications available at the Water Department office, or can be found at: www.warehamfiredistrict.org
2550 Cranberry Highway, Wareham, MA 02571
