## Summary

The Town of Shrewsbury, a full-service progressive local government driven by high performance and creativity, seeks an energetic professional to join the dynamic leadership team in the Water and Sewer Division within the Department of Public Works. The Assistant Superintendent will serve as the Town's primary operator for water distribution and manage the maintenance and operation of the Town's wastewater collection system. The successful candidate will lead a team of industry professionals in a collaborative work environment with the goal of being the best local government in the world. A key focus will be on improving upon the efficiency and effectiveness of all areas under their direction and control. The Town of Shrewsbury continues to make significant investments in infrastructure improvements and has several exciting water and sewer capital projects planned for the next few years the Assistant Superintendent will be involved in.

The Town of Shrewsbury is committed to fostering a workplace culture that raises innovative leaders in local government, and because of this, there is no limit to the number of opportunities to develop both professionally and personally.

## Work Hours & Benefits

The Assistant Superintendent works from the Public Works Garage and in the Field. The work hours are 40 hours per week. The Town of Shrewsbury offers a competitive benefits package, including health insurance, a pension, an extensive employee assistance program, the opportunity for professional development, and competitive paid time off in the form of sick, personal and vacation days.
