

The Springfield Water and Sewer Commission (SWSC) is seeking civil and/or environmental engineers at all levels for its operations in Springfield and Westfield, MA. Engineers at the Commission are involved in all aspects of the life of a project, from planning to successful completion. SWSC is an in-person work site, and engineers work and problem-solve side-by-side with senior engineers and other water-sector professionals. SWSC offers a collaborative and comprehensive work environment where engineers have the opportunity for hands-on involvement in many phases of a project. The work day for this position is M-F 7:00-3:30. This is a field-based position with office work, and the successful candidate will be on-site in our watershed (in Westfield/Blandford) and/or in our distribution area (primarily Springfield).

For more information about the SWSC, please visit our YouTube channel at <https://www.youtube.com/@SpfldWaterSewer>

For a complete job posting and information on how to apply, please visit the careers section of our website at <https://springfield-water-and-sewer.checkwritersrecruit.com/>. Review of applications begins on July 6, 2026.
