Notice of Position Posting

Location: Water Department
Title: Professional Secondary Water Operator
Pay scale: Pay rate will be set by the S.E.I.U. agreement with a minimum pay rate of \$18.95 per hour.

Posting Date: July 21, 2022 – Until Filled

Requirements:

This Full-Time position requires skilled manual work in the operation, construction, repair, and maintenance of the water system in the capacity of a Secondary Operator. Responsibilities include operation and maintenance of pumps, motors, chemical feed equipment, water storage facilities, distribution system piping, and production of detailed records.

Education and Experience: High School Diploma or equivalent, experience in the drinking water industry preferred, and a working knowledge of MA state regulations.

Special Requirements:

- Must possess a valid class D driver's license upon hire.
- Weekend/Holiday on call coverage rotation is required once qualified. Must be able to respond to emergencies/repairs during on call coverage in less than 1 hour. Response to departmental emergencies at all other times reasonably expected.
- Must possess, or acquire within six months of hire a MA Grade 1D, MA Grade 1T drinking water operator licenses (these may be a O.I.T. license), and a class IIB hoisting license for backhoe/ loader.
- Must possess, or acquire a MA cross-connection tester certification within 1 year, subject to the availability of required classes and exams. Drinking water operator license holders given high preference.
- The Professional Water Operator shall be subject to the Town's Drug and Alcohol Testing Program.

Ken Wysk – Water Department Superintendent

Note: *Qualified candidates* should forward a resume to:

Amber Robidoux – Assistant Treasurer/HR Specialist
