

## **DPW Director**

The Town of Southbridge seeks qualified applicants for the position of Director of Public Works. The ideal candidate will possess excellent leadership, management and communication skills as well as a strong understanding of municipal management.

The Director leads and manages all operations and personnel in the DPW, including administration, operations, engineering, stormwater, water/sewer and emergency response for snow and ice, flood, and severe weather mitigation. The DPW consists of highway, engineering, sewer, parks, recreation, cemetery, facilities and waste departments. The Town Manager expects to offer a three-year contract. Starting Salary \$98,115.12 to \$120,458.59 a year. The actual salary will be based on the experience and qualifications of the successful candidate.

For further detail please see the job description on the town website.

To submit an online application:
