

TOWN OF MEDWAY

WATER SEWER SYSTEM OPERATOR

The Town of Medway seeks qualified candidates for a full-time 37-hour position in the Water & Sewer Division of the Department of Public Works. This is a benefits-eligible union position.

Responsibilities include:

- Participates in the construction/ oversight and maintenance of extensions to water distribution
- Installs water mains and lines, hydrants, valves, and pumps; excavates trenches and backfills excavations
- Cleans and repairs mains and manholes; repairs water mains, hydrants, and gates.
- Installs and reads water meters.
- Performs daily water sampling of the water supply and maintains treatment operations as necessary.

Minimum Qualifications:

High School graduate or equivalent. (3) Three years of experience in municipal water supply and wastewater collection operations preferred. Current MA Drinking Water Operators License, wastewater collection system certificate, MA CDL Class B & MA Hoisting Licenses 2A/4G/1C. Current Grade 2T and 2D full water operator's licenses. An equivalent combination of education and experience that provides the necessary knowledge, skills, and abilities to perform the essential job functions may be considered.

The Town of Medway offers in-house training to obtain CDL and Hoisting Licenses and is willing to train the right candidate. CDL and Hoisting licenses would be required within 6 months of employment, and there will be a flexible period determined for the water licenses, if necessary.

Please send resume and employment application to: Cheryl Houle, HR Manager,
