JOB TITLE:
Water Treatment Operator

Requisition Number:
R01945

DESCRIPTION/RESPONSIBILITIES:

Woodard & Curran is a national engineering, science, and operations firm with a simple vision for clean water, a safe environment, healthy communities, and happy people. As an employee-owned company, we strive to cultivate diverse teams and encourage collaboration in an equitable and inclusive culture. We seek talented individuals from all backgrounds to help us address a broad range of water and environmental issues. We prioritize our people, offering opportunities for professional growth, ownership, and flexibility. That's how we make a difference to our clients, people, and planet.

Woodard & Curran draws on the experience of hundreds of certified operators across the country, backed by the knowledge and skills of hundreds more engineers, scientists, and regulatory experts, to quickly tackle the most challenging operational issues and keep treatment plants running efficiently and in full compliance. Woodard & Curran also aids employees in earning, upgrading, and keeping their certifications within the industry.

What You Will Be Doing At Woodard & Curran:

Woodard & Curran is seeking a full-time, year-round individual to join our water treatment staff at our facility in Cohasset, Massachusetts. This is fantastic opportunity for someone looking to jump start their career in the water treatment field! Woodard & Curran will support you in starting your career path by providing on-the-job training and mentoring while you study for your water treatment exam and work towards obtaining your license. We provide bonuses for each level of license that you achieve!

Our Operators are responsible for the full-time operation and the general maintenance of the facility's treatment process & equipment, as well as returning the treated water back to the environment. The position involves a variety of both physical and technical tasks such as testing and processing samples in our lab, inputting data into our plant databases, housekeeping, servicing the plant's equipment, gathering plant data, snow removal, and grounds keeping. Each day can present a different challenge and learning opportunity. We take pride in caring for our facility, both inside and out! If you enjoy working outdoors protecting nature's precious resource, water, then this position is for you. Woodard & Curran is dedicated to our employee's growth and development and wants to help you on your career path.

- Monitor water treatment plant processes and equipment both manually and via SCADA automation, making adjustments as necessary to control their operation.
- Perform water quality sampling, testing, and analysis to determine compliance with federal, state, and EPA standards.
- Monitor remote pump stations with inspections and daily sampling as required.
- Operate, maintain, control, and perform routine repair of plant equipment, including preventive maintenance duties. Establish, maintain and control flow through the water treatment process and into and within the distribution system.
- Utilize asset management software programs for maintenance work orders and maintains all necessary records.
- Perform general maintenance duties of plant and other assigned duties.

Schedule:

Full-Time Days and extended shifts to meet the seasonal demands of the water system – we pay overtime! Reliable and dependable attendance is an essential function of this position. Response to emergency events and alarm call-outs required as scheduled and required.

What will you need to succeed?

- High School Degree or Equivalent.
- Massachusetts Grade 3T preferred, 3T OIT accepted with ability to achieve Full status. (Ability to obtain within 1 year). We will provide training and mentoring while you study for your water treatment exam and work towards obtaining your license.
- Ability to make sound decisions in process control and follow instructions, as well as following safety procedures.
- Successful candidates will be required to complete a background check, pre-placement physical and drug screen before employment.
- Valid MA driver's license with a good driving record.

This position starts at \$65,000 – 70,000/year depending on qualifications.

Woodard & Curran offers a generous compensation and benefits package to include retirement, generous paid time off, holidays, On-call stipend, medical & dental insurance, flexible spending account, career growth, license renewal costs reimbursement program, and more!

Equal Employment Opportunity and Affirmative Action Statement

Woodard & Curran is an equal opportunity employer. Individuals with Disabilities and Protected Veterans are encouraged to apply.

Diversity, Equity, and Inclusion

We value diversity, equity and inclusion and encourage individuals from all backgrounds to apply. Woodard & Curran believes that diverse teams working together in an equitable, inclusive culture provides the right environment for employees to thrive, our clients to benefit, and our business to prosper over the long run. Our success is tied to a culture that embraces our differences and creates an environment where everyone can bring their whole, authentic selves to work. When employees are

supported to reach their full potential, we can provide our clients with the most innovative, sound, and cost-effective solutions.
