

Full-Time Water Treatment Operator

Massachusetts Grade 2T Licensed

Housatonic Water Works Company is seeking a motivated, full-time Massachusetts Grade 1D/ Grade 2T (or higher) Licensed Water Treatment Operator to join our team. This position offers the opportunity to work with a slow sand filtration plant and a new state-of-the-art greensand filtration treatment facility currently being built.

Responsibilities

- Operate and maintain a new greensand pressure filtration treatment system.
- Assist with the operation and maintenance of the existing slow sand filtration plant.
- Monitor water quality, treatment processes, and SCADA systems.
- Perform routine laboratory testing and maintain operational records.
- Inspect, maintain, and troubleshoot treatment equipment, pumps, valves, and related systems.
- Assist with regulatory compliance, reporting, and sampling requirements.
- Participate in on-call duties and respond to system emergencies as needed.

Qualifications

- Massachusetts Grade 2T Water Treatment Operator License (or higher) required.
- Experience with surface water treatment systems preferred.
- Mechanical and electrical troubleshooting experience is a plus.
- Ability to work independently and as part of a team.
- Valid Massachusetts driver's license.

Compensation

\$37-\$40 per hour, commensurate with qualifications and experience, plus benefits.
