Water Utility Laborer

The Templeton Municipal Light and Water Plant (TML&WP) is seeking applicants for the position of "Water Utility Laborer".

Minimum Physical Entry Requirements shall include the following:

- normal health, physique and full use of senses and extremities as evidenced by the passing of the required physical examination and drug test as given by a TML&WP-approved physician
- normal vision including the ability to identify colors (normal is defined as having 20/20 or corrected 20/20 vision)
- strength and endurance adequate for heavy physical labor indoors and outdoors in all seasons and at times for extended periods and under conditions requiring extreme care
- high school diploma
- possession of a valid Massachusetts Motor Vehicle Operator's License (preferably Class II)

The Specific Job Candidate shall:

- have definite mechanical ability and aptitude
- have good judgment and maintain rational relationships with supervisors, co-workers and the general public
- become sufficiently familiar with the Water Plant's practices and standards
- have initiative and dependability, not be easily distracted and act rational under all circumstances
- acquire a basic knowledge of the Water Plant's safety rules and regulations and display safe work practices
- acquire knowledge of rescue procedures and a proficiency in cardio-pulmonary resuscitation (CPR)
- operate as directed with water utility materials, hand tools and equipment/vehicles pertinent to water line construction and maintenance
- acquire a valid Massachusetts Commercial Driver's License (CDL) within 6 months of hire
- perform heavy lifting and physical work outdoors at times under adverse weather conditions for extended periods (overtime)

Please submit cover letter and resume to the Templeton Municipal Light and Water Plant, P.O. Box 20, Baldwinville, MA 01436 to the attention of John M. Driscoll, General Manager. A job description is available upon request.

The TML&WP is an Equal Opportunity Employer and Provider.
