Job Posting

PUMPING STATION OPERATOR WATER DIVISION

The Town of Plymouth is seeking qualified applicants for the position of **PUMPING STATION OPERATOR (OM7)** for the Water Division of the Department of Public Works.

Skilled technical work in assisting in the operation and maintenance of water treatment facilities and general water system activities. May occasionally supervise four or more employees. Prepares required Department of Environmental Protection Agency reports; operates and maintains the water treatment facilities and equipment; performs maintenance and repair of pumps, machinery, chemical feed equipment and appurtenances. Must be able to maintain accurate records and upon training, perform computer data entry.

Massachusetts Registry of Motor Vehicles Class D Driver's License. Massachusetts Drinking Water Supply Facilities Certification Grade T-2 for drinking water treatment facilities. High school graduate with three years' experience in water utility operations, at least one year of which is in water treatment plant operations with electric or generator driven pumping equipment; or any equivalent combination of education and experience. A complete job description is available in the Human Resources office.

Hourly Range: \$35.0946 to \$40.8984, 40 hours per week. Applications to be reviewed upon receipt. This posting will remain open through October 1, 2026. Applications, to be submitted with a cover letter and resume, are available at www.plymouth-ma.gov or in the Human Resources Department, 26 Court Street, Plymouth, MA 02360. AA/EOE
