

# *Town of Pepperell*

## **Wastewater Superintendent**

The town of Pepperell seeks a qualified, experienced person for the position of Wastewater Superintendent within the Town's Department of Public Works. The Wastewater Superintendent is responsible for the Town's wastewater facilities, which include approximately 50 miles of sewers and a 1.1 million gallon per day wastewater treatment plant. Other responsibilities include direct supervision of all employees assigned to the Wastewater Division and compliance with the Town's National Pollutant Discharge Elimination System permit. The suitable candidate will possess diverse communication, organizational, records-management and supervisory skills as well as operations and maintenance of complex systems and equipment.

Candidates must meet the minimum requirements contained in the job description posted on the town's website at: <https://town.pepperell.ma.us/268/Opportunities-Bids-Openings>

Salary range is \$72,000- \$100,000, DOQ, excellent benefits, AA/EOE

Position will remain open until filled. Resume review will begin October 3rd. Submit resume and letter of interest to: Susan Tocci, Wastewater Program Administrator, Pepperell DPW, P.O. Box 319, 47 Nashua Rd., Pepperell, MA 01463 or by email to [stocci@town.pepperell.ma.us](mailto:stocci@town.pepperell.ma.us)
