

READY FOR A CHANGE?

The Town of Orleans is hiring

SENIOR WATER SERVICE TECHNICIAN

\$29.49-\$40.65/HOUR

The Town of Orleans strives to be one of the most desirable communities to work for in the Commonwealth.

We have transformed our compensation and benefits packages to attract and retain the best.

SENIOR WATER SERVICE TECHNICIAN

Performs manual and supervisory work relating to the installation, operation, maintenance, and repair of the municipal water supply and distribution facilities; all other related work as required.

Salary range: \$29.49-\$40.65/hour

Must participate in weekly on-call rotation and may require weekend and evening work.

Benefits:

- **The Town contributes 80% of HMO health insurance premiums and 65% for PPO health insurance premiums.**
- **Don't want to lose your vacation time by starting over?** The Town will recognize previous municipal, state or government service for the purposes of determining vacation time accruals.
- **1 week of paid parental leave**
- **Health Insurance Opt-Out Program:** Already have health insurance elsewhere? Employees will be paid \$2000 per year for individual coverage; \$3000 per year for Single Parent/Single Child coverage and \$4000 per year for Family Coverage
- **Want to keep growing in your career?** You'll have access to ongoing training and opportunities for advancement, empowering you to reach your full potential
- Did we mention we are located just minutes from two incredible beaches? Q

Qualifications:

High School diploma and four years' experience in the maintenance, repair, and operation of a public water supply and distribution facility and related equipment preferred; two years' experience in the operation of excavating machinery, and front-end loader; or any equivalent combination of education and experience.
